

EC CERTIFICATE

Notified Body No. 0843

CPR Notified Body UL International (UK) Ltd., Wonersh House, The Guildway, Old Portsmouth Road, Guildford, Surrey, GU3 1LR, United Kingdom

Certificate of constancy of performance 0843-CPR-0477

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Knauf FPG plate - fire protection graphite plate Penetration Seal Classified for use in flexible walls

A preformed, self adhesive intumescent sheet used to reinstate the fire resistance performance of wall constructions where they have been provided with apertures for the penetration of cables into socket boxes, on both sides or one side of the wall. Knauf FPG plate - fire protection graphite plate is supplied precut to size with a peel off strip to one face to protect the adhesive layer. The Knauf FPG plate - fire protection graphite plate is installed by removing the peelable strip and placing the pad to the back face, within the socket box.

placed on the market under the name or trade mark of

Knauf Sp. Z o.o.
ul. Światowa 25, 02-229 Warsaw, Poland

and produced in the manufacturing plant(s)

A/003

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in the

ETA 18/0926, issued on 12/12/2018

and

EAD 350454-00-1104, September 2017

under system AVCP 1 for the performance set out in the ETA are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 12th December 2018 and will remain valid as long as neither the ETA, the EAD, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body..

12th December 2018
